HIGH SCHOOL STUDENT PROGRAMS

ADVANCED PLACEMENT

The AP curriculum, administered by The College Board, consists of standardized high school courses that are roughly equivalent to undergraduate college courses. After completing an AP class, students take the AP exam in that subject, which can earn them credits and accelerated placement in college.

Prerequisites: Approval from the AP teacher at WMAES

Grade Level: 10, 11 and 12

DUAL ENROLL

Students are enrolled and taking classes at both WMAES and Grand Rapids Community College at once. Students take classes at both locations and with passing grades, students receive both high school and college graduation credits.

CMU FireUp Program

Take college-level courses that transfer with you wherever you go.

Prerequisites: Must meet qualifying assessment scores and GPA

Grade Level: 11 and 12

KCTC & KTC

Kent Career Tech Center and Kent Transition Center integrate the learning environment with real-world applications and equip students with knowledge and experience they can apply directly to college and career.

Enrollment is determined by KCTC and KTC (www.thetechcenter.org)

Grade Level: 11 and 12

LAUNCHU

Launch U is an early college program and is an exceptional opportunity to earn a college degree. By taking a combination of high school and college courses, students earn both a high school diploma and associate degree - cost free. Upon completion of an early college program, students may directly pursue a career or continue with higher education.

Prerequisites: Application (during 9th grade year), qualifying assessment scores and GPA

Grade Level: 10, 11 and 12
